## AGAPÉ 1983

**VOL.** 10

#### **DEDICATION**

Charles M. Massey, III, has been at MAC since 1970 as a Math Professor. His extra responsibilities include the Handbell Director, Montreat Church Choir Director and a Discovery Leader in the summer time. He is married to Barbara, one of our college nurses, and is the father to Colleen and Kevin.

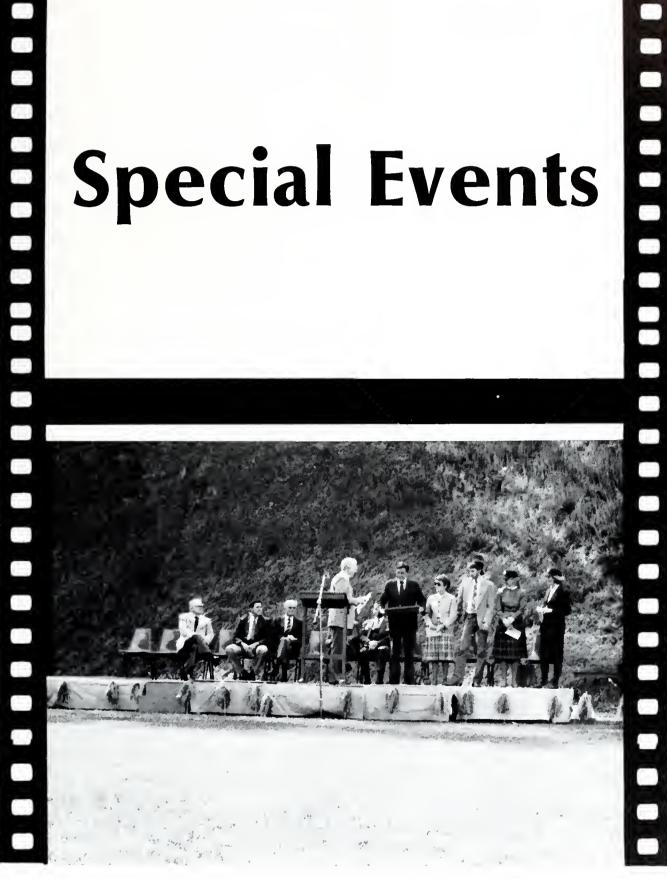

To You, Mr, Massey, who has won a place in our hearts because of your untiring helpfulness as a Professor and friend — we DEDICATE this 1983 AGAPE to express to you as a token of our appreciation for all that you mean to us.

### STUDENT ACTIVITIES

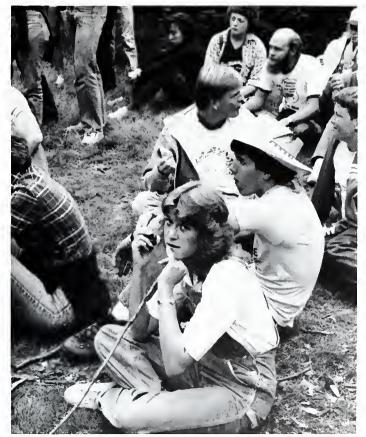

CHRISTMAS 1982

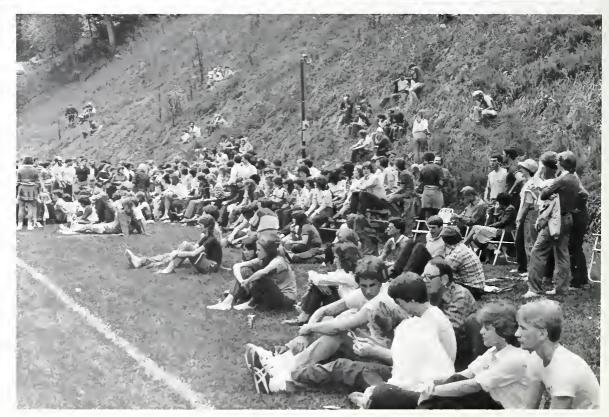

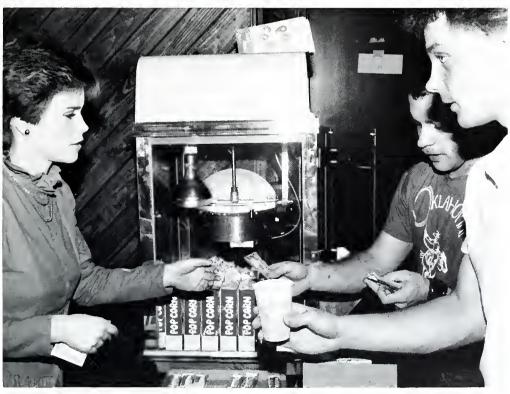

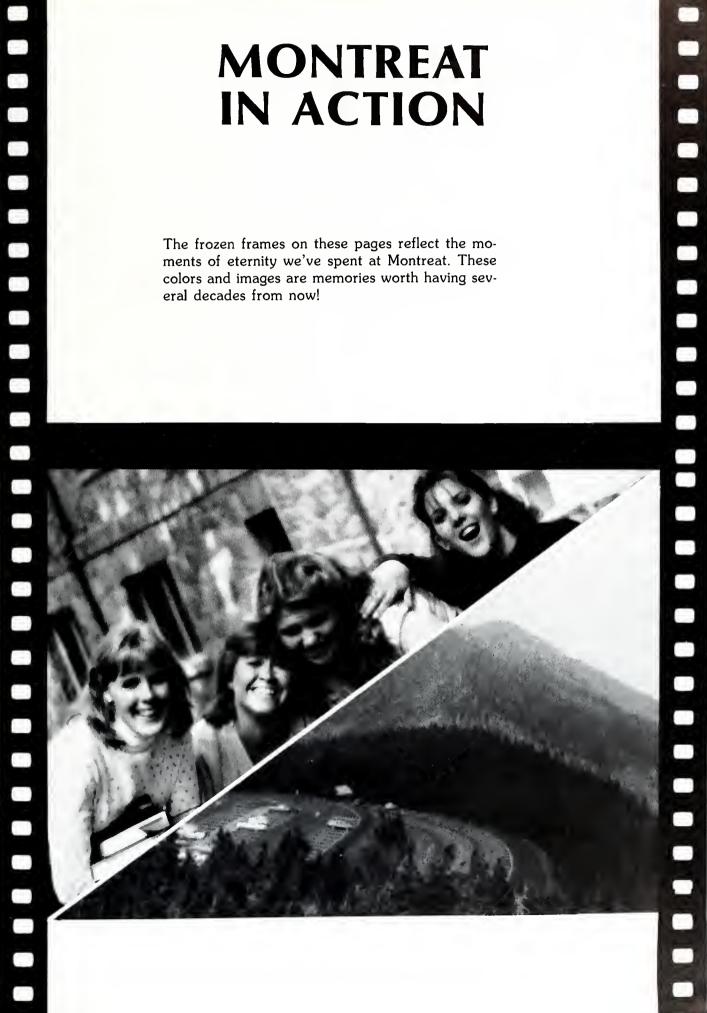

#### **MONTREAT** IN ACTION

The frozen frames on these pages reflect the moments of eternity we've spent at Montreat. These colors and images are memories worth having several decades from now!

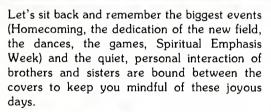

Can you ever forget ... when you ran out of hot water in the shower ... how every date started in Montreat started in the library ... the time you climbed in the window after cerfew  $\dots$  the night you made the mistake of going out with "that special someone" fighting over the one television in the the price you paid for textbooks \_\_\_ the lobby . nickname you gave your professors "You Can't Take It With You" those itiots in the pool at the luau your poor, aching feet on the hike from Mt. Mitchell "Dr. Who" The Secret Student Activities Society your first "D" in English your professor embarrassing you at Parent's Week-? The annual exists so that twenty years from now, you won't forget any of these crazy stunts, or difficult classes, or any of what made 1982-'83 unique.

Long ago, a tradition of record-keeping called the yearbook was established so parents could show their kids how dumb they looked when they thought they were educated. The Agape continues the age-old ritual. Your life is paraded through the eye of a camera and displayed for your future remembrance and the amusement and education of generations to come. Some day, you might actually find it hard to believe that Izod's and Polo's were the rage in '83 or, you may be amazed to remember how your roomate looked with braces. Whatever your special memory, we hope it's been captured by the shutter's click and printed on these pages.

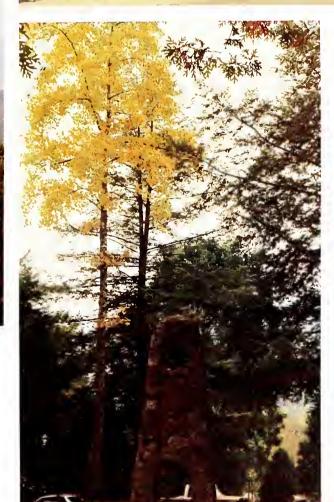

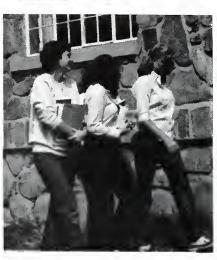

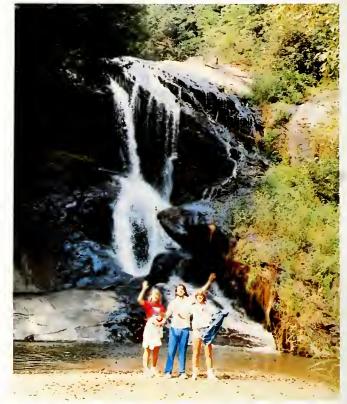

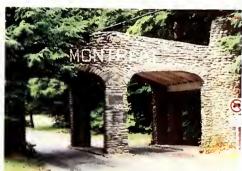

Student Life/31

As the years progress, leaf through these pages and be reminded, not only of the individual events recorded here, but also of the invisible, yet durable thread of christain love that binds them together. Know that God sees the past and the future as the present and that he is in control of it all.

#### NEWELL ATHLETIC FIELD DEDICATION

In response to a dream for many years by many people the Trustees pledged and contributed the necessary funds to construct a new field for intramurals, physical education, Soccer and Baseball. On Oct. 21, 1982, The Board of Trustees, Faculty, Staff, Students and Visitors gathered on the field to dedicate it and name it for the Norris Newell Family. As Mr. Newell, A Board Member for many years, has maintained a concern for this project from its inception and has been a vital force in the campaign to fund and complete it. We greatly appreciate this beautiful new facility on our campus.

#### **ALMA MATER**

How dear to our hearts will the memory be Of the days we have spent in thy care.

When within thy dear halls we have lingered awhile All thy gifts and thy blessings to share.

So the memory of thee will ever remain While we think of each dear hallowed scene;

And the bonds of true loyalty, blest through the years, Our affections will ever keep green.

Then, to thee, Alma Mater, we'll ever be true, Though the coming years scatter us far

And the ideals you taught us will ever be bright Shining out as our life's guiding star,

We will cherish thy name wherever we roam, And forever thy praises repeat.

Hail to thee, Alma Mater, our happiest days Are the days we have spent in Montreat.
